

HAMPTON, PHOEBUS AND OLD POINT.

OFFICERS ARE CHOSEN

Hampton Firemen's Relief Association Organized last night.

CHIEF WEYMOUTH THE PRESIDENT

Messrs. A. Tyler Hull, Monte Wood, M. F. Diggs and John J. Baines Named as Police Officers for the Fire.

The Hampton branch of the Virginia Firemen's Relief Association was formed last night by the members of the Hampton Fire Department, when officers were chosen as follows: President—Chief W. J. Weymouth. Vice-president—Assistant Chief S. S. Cunningham. Secretary—Mr. William A. Weymouth. Treasurer—Capt. Frank W. Darline. Board of directors—Messrs. C. H. Hewins, W. V. Wood, B. F. Burse, R. L. Tenny and Arthur E. Hall. Application will be made to the state corporation commission for a charter.

Messrs. J. J. Baines, Monte Wood, A. Tyler Hull and M. F. Diggs were named as police officers to have authority inside of the fire-ropes during a fire. A life-sized portrait of Mr. Edward B. Chiles, who was an enthusiastic fireman during his lifetime, was hung on the wall. The portrait, which is said to be a speaking likeness of Mr. Chiles, was made by Mr. C. E. Cheyne, the Hampton photographer.

It was decided last night to inaugurate a pool, billiard and cribbage tournament among the firemen and it is expected that the tournament will arouse considerable interest among the various players.

INJURED IN FOOTBALL GAME.

John J. Daly, of Phoebus, Hurt in Washington Last Saturday. Mr. John J. Daly, the son of Mr. and Mrs. Thomas M. Daly, of Phoebus, who is attending the Catholic University in Washington, was painfully injured in a practice game of football at George Washington University last Saturday. It was said that young Daly had several ribs broken and that he is thought to have received internal injuries. Although the Washington Herald on Sunday carried the story of the accident, Mr. Daly's parents were not informed of the fact.

HEARD INTERESTING PAPERS ON SCHOOL MATTERS

Elizabeth City County Teachers' Association Met at West End Academy Yesterday.

The Elizabeth City County Teachers' Association held its monthly session in the West End academy yesterday afternoon. The attendance was good, there being teachers present from every school in the county. "The Correlation of the Rural to the City Schools" was the subject under discussion and most interesting papers were read by Miss Ilma von Schilling, of the Syms-Eaton academy, and Mrs. Charles Copeland, of the Tucker school. Quite a number of the teachers discussed the papers.

The next meeting will be held in the Phoebus school building on the first Monday afternoon in December. At this time reports will be heard from the delegates attending the State Teachers' Association in Newport News.

IN KANSAS TOWN BRYAN CONCLUDES CAMPAIGN

(Continued from First Page.)

ed, and that part of it that is contributed to the Republican congressional committee will not be known even then.

"I have behind me the awakened conscience of the country and the sentiment in favor of popular government which demands the election of United States senators by direct vote."

"I have behind me the victims of I would not try to get their hands the trust, who are pleading for relief, the laboring men, whose petitions have been rejected by the Republican party, the depositors, whose savings are jeopardized by the carelessness of bank officials and the consumers who have been exploited by the beneficiaries of high tariff."

"All of the people see in a Democratic victory their only hope and with the election of a Democratic President and a Democratic Congress backed by a popular verdict in favor of Democratic policies, the way is open for remedial legislation. The Republican leaders have been weighed in the balance and have been found wanting; they have betrayed and have left the Democratic party to voice the sentiment of the honest citizenship of the country, Republican and Democratic."

Expecta Reformers' Support.

"I may add we expect in this campaign the votes of all reformers, for the Democratic party is the only party that can bring at once the reforms which the people need. The Republican party is the open foe of labor, and having posed as enemies of trusts, now join hands with Rockefeller, Harriman and Carnegie in supporting the Republican party which is today the champion and bulwark of all the trusts. What a spectacle the Republican campaign presents at its close; the Republican candidate trying to repudiate the support of the trust magnates, who are coming out from under cover and announcing their loyalty to him, and at the same time trying to claim the support of labor leaders, like Mitchell and Duncan and Morris, who are openly repudiating them. Surely the hour has come for a return of the government to the hands of the people. Let the people rule!"

Must March in Parade.

Commencing at Kansas City, Kansas, Mr. Bryan talked today in towns and cities through the state. In every speech he declared he referred to the effort of the President and of Mr. Taft to deny the support of Mr. Rockefeller and the trust magnates, and quoted from a facsimile confidential letter issued by the Standard Oil Company ordering the employees of its New York office to march in the parade Saturday in that city, and published in a New York paper. He also said that Mr. Taft had claimed the votes of Mr. Mitchell, Mr. Duncan and Mr. Morris and other labor leaders, and quoted from Mr. Gompers' speech of Sunday in which the president of the American Federation of Labor read telegrams from each stating that they were not supporting Mr. Taft, but were with Mr. Gompers in his support of the Democratic ticket.

Magnates On Other Side.

At Kansas City Mr. Bryan addressed an audience composed chiefly of laboring people. He went into an extended discussion of the labor issues and also denounced the Republican party for its alleged trust leanings, saying that there is not a financial magnate in this country that is not supporting Mr. Taft; there is not a commercial body in the United States that is not supporting Mr. Taft.

Referring to Mr. Roosevelt's denial of Standard Oil support, he asked: "Didn't this administration give to the Standard Oil Company a monopoly of a pipeline across the Isthmus of Panama?"

Mr. Junken's Mother Ill. Mr. Charles Junken received a telegram Sunday from his sister, Mrs. Benedict, in Washington, announcing the serious illness of his mother, Mrs. Junken, who was unconscious. Mr. Junken left last evening for Washington.
